HAMZAAD RECOMMENDATION

This tender is a strong match for your cybersecurity service portfolio. Key action items:

- Contact OEM partner immediately for authorization letter — deadline is tight
- Prepare bid security bank guarantee (PKR 2.5M) at least 5 business days before closing
- Draft technical proposal emphasizing 20+ Tbps scrubbing capacity and Pakistan-based DNS
- Include case study of similar DDoS deployment in Pakistan as qualification evidence
- Set calendar reminder for June 02 (7 days before close) for final review
